California Exemplary Arts Program Fundraiser
#EagleRockGives
tinyurl.com/eaglerockgives
August 14th-21st, 2019

PTSA is sponsoring **#EagleRockGives on August 14-21, from 12am-11:59pm!** As an International Baccalaureate World School, our students have access to a range of fine and performing arts instruction. **Our talented teachers and students have earned us the designation as a California Exemplary Arts School.** Construction in the Auditorium includes seismic retrofitting, heating and air conditioning upgrades, and other upgrades such as a new stage and flooring. The scope of work includes re-installing our old chairs.

Any size donation will support teaching and learning for our community. **Our large goal is new updated seating for consistency with the upgraded interior,** which would cost up to $180,000.

* Personalized gift plaques will be affixed to a seat with a minimum donation of $200
* Our smaller goal is a new marquee to communicate the tremendous activities to our community- not just arts. The marquee would cost up to $50,000.
* Limited edition personalized gift plaques will be available.

Learn more here: **tinyurl.com/eaglerockgives** and be ready to participate in **#EagleRockGives**

Your donation means the world to us. Thank you for your donation!
