

# Film Permit Form

Mr. Espanta

Dear Parent/ Legal Guardian:

In our study of history, at times it is useful to show documentary/film clips to capture students' attention and teach them that what they are learning in school has real life implications. The video clips will discuss government policies, citizens' rights and responsibilities (civic duties), ethics, and morality issues. These activities spark discussion and motivate students to hear multiple-perspective to achieve higher-order thinking. Some films might be rated "R" and, as such, students will need their parents'/legal guardian permission to view these film clips. Please place your initials in the appropriate box regarding this concern.

I allow my child to be present during the film clips

Please excuse my child from class during the film clips

By signing below, I acknowledge that I have read the Film Permit Form and have indicated my decision through my initials regarding this matter.

Student's Name: \_\_\_\_\_ Date: \_\_\_\_\_

Parent's Signature: \_\_\_\_\_
