

# Make Your Own Scrunchies with Brianna Grothe

This program was made possible with the generous support of the Library Foundation of Los Angeles

Instructor Brianna Grothe will teach you how to hand sew a scrunchie while learning the basics of sewing, including how to thread a needle, work with elastic, basic stitches, and more. The sewing techniques learned can also be helpful for simple mending projects.

Space and supplies are limited and will be offered on a first-come, first-served basis.

## When

Tuesday, February 13, 2024  
3:30 p.m.
