May 2016

Dear Parents and Guardians,

Community Service is a requirement of the International Baccalaureate Middle Years Programme (IB MYP). In the IB MYP service means “contributing to the school, local, national or worldwide community to make life better for others, especially the disadvantaged.” Performing community service offers students learning opportunities outside the classroom, as well as an opportunity to learn about themselves and their community.

Students may perform their Community Service alone or in a group. All students in grades 7 & 8 of the IB MYP, are to perform 10 hours of service during each school year, and students in grades 9 & 10 of the IB MYP are to perform 20 hours of service each year. We are aware that many of our students perform Community Service during their summer vacation. One half of the required hours may be completed during the summer.

Upon completion of the Community Service activity, students should complete a Community Service Reflection Form, found on the reverse side. Additional copies of the form may be picked up in the IB Office, room 115, or downloaded from the Eagle Rock High School website at <http://erhs.la/downloads/dropbox/site/Comm.Serv.Reflection.pdf>. Service hours should also be uploaded directly into the student’s Managebac account.

Any activities for which students receive monetary compensation or class credit may not be counted for Community Service.

Please contact the IB MYP Coordinator, Laurie Bollman-Little, with any questions.

Sincerely,

Mylene Keipp, Principal

-----Tear-Off-----

I have received the information about the Eagle Rock High School IB MYP Community Service Requirement.
