    - A. 2017-2018 SPSA Evaluation
      1. Better ways than just attendance to measure social/emotional goal
        - a) Grade decreases due to work habits could indicate social/emotional problems
          - (1) Maybe measure a student’s skill level compared to their grade in class
            - (a) Drawbacks: grades are inflated, we don’t test skills learned.
        - b) Perhaps we can hold a meeting during non-SSC time to develop a method.
      2. Brainstorming questions:
        - a) [To be inserted]
